INCOME AND OUTPUT

This section highlights your state's productivity and income to provide an understanding of the amount of business conducted and the rate of growth for businesses and individuals.

Gross Domestic Product, in millions: \$238,683.8

<https://apps.bea.gov/itable/iTable.cfm?ReqID=70&step=1#reqid=70&step=1&isuri=1>

Gross Domestic Product % Growth: 3.1% (Annual rate)

<https://www.bea.gov/data/gdp/gdp-state>

Per Capita Personal Income (*GDP/Population) this is often used as a standard of living measurement:
\$50,800

<https://www.bea.gov/data/income-saving/personal-income-by-state>

Per Capita Personal Income % Change: 4.7% (Annual rate)

<https://www.bea.gov/news/2019/state-personal-income-first-quarter-2019>

All data from U.S. Bureau of Economic Analysis, 2019

WORKFORCE

This section gives manufacturers an idea of the industry's environment in your state, including the makeup of the available workforce, the labor requirements, and recent trends.

Total Population: 4,910,713 estimate 2018

Population percent change from 2010 to 2018 is 9.4%

Total Civilian Labor Force: 2.1 million

Total Number of Persons Employed: 2.04 million

Total Number of Persons Unemployed: 89,909

Unemployment Rate %: 4.0%

Manufacturing Employment: 204,700

Professional and Business Services Employment: 257,400

State Right-to-Work Law Y/N: No

Large Factory Openings during previous year:

1. Element Six- Gresham, Oregon
2. Edwards Vacuum- Hillsboro, Oregon

Large Factory Closures during previous year:

1. NORPAC has closed its Stayton processing facility on October 31, 2019.

Source: All data from U.S. Census and U.S. Bureau of Labor Statistics, 2016 and State of Oregon Employment Department 2019, and qualityinfo.org

EDUCATION

This section provides further insight into the potential workforce education levels, advanced areas of education, and partnerships between higher education and industry for insight into quality of labor force and growth sustainability.

All data from US Census American Community Survey, 2018

% High School Diploma or More: 90%

% Bachelor's Degree or Higher: 32.3%

Enrollment in Higher Education Institutions: 273,881

(408) 605 - 8867

		Material Science Engineering	Technology Management
		Systems Engineering	
		Engineering and Technology Management	

Science and Engineering Graduate Students:

Both Portland State University and Oregon State University are accredited universities for their engineering and computer science schools. They have evolved with Oregon's growing technology and semiconductor industries for decades. Currently, more than 3,000 students are currently enrolled in programs that lead to Bachelors, Masters, and PhD degrees. Currently, Portland State University has 266 students obtaining their masters and 49 achieving a post baccalaureate certificate. Oregon State University had a total of 600 students enrolled in a masters of engineering field in 2017.

(408) 605 - 8867

www.ReshoringInstitute.org

OIT, Oregon Institute of Technology, offers programs focused on applied technologies, engineering, health professions, applied sciences, communication, and business. OregonTech is a partner of Boeing's Learning Together program. It allows Boeing employees to access programs and certificates at sites in the Puget Sound area.

List of High school, College, or University Manufacturing Partnership Programs *These are partnerships with manufacturers to help train future employees in certain skills:*

OMEP, Oregon Manufacturing Extension Partnership is a program designated to grow businesses in the manufacturing industry. OMEP exists to provide skill-sharpening educational events, fuel strategic partnerships, and act as the entry point to an ecosystem of manufacturing resources.

<https://www.omep.org/>

List of Additional Manufacturing Training Programs:

Oregon Community College offers many engineering and manufacturing technology programs.

<https://www.pcc.edu/programs/#machines>

Central Oregon Community College offers a one-year certificate of manufacturing technology.

<https://www.cocc.edu/programs/manufacturing-technology/one-year-certificate.aspx>

COST OF DOING BUSINESS

This section highlights the costs associated with doing business in your state including taxes, wages, insurance, and energy expenses.

State Corporate Income Tax %: 7.6%

<https://taxfoundation.org/state-corporate-rates-brackets-2019/>

State Individual Income Tax %: 5.0% to 9.9% with 4 brackets (2019)

https://files.taxfoundation.org/20190607141743/TaxFoundation_FF643.pdf

State Level Sales Tax %: None

State Use Tax: None

Unemployment Insurance Tax %: rates range from 0.9 to 5.4% for experienced employers—with an average rate of 1.97%, and a new employer base rate of 2.4%—multiplied by the first \$39,300 of each employee's salary.

(408) 605 - 8867

www.ReshoringInstitute.org

Additional Relevant Taxes:

Workers' Compensation Employer Insurance Costs per \$100 of Payroll: \$1.28 (2016)

Average Industrial Electric Rate: 5.59 cents per kWh (2019)

<https://www.electricitylocal.com/states/oregon/>

Average Price of Natural Gas Delivered to Industrial Consumers: \$4.53 per thousand cubic feet (April 2019)

<https://www.eia.gov/dnav/ng/hist/n3035or3m.htm>

Average Hourly Earnings of Production Workers in Manufacturing: \$22.16 (July 2019)

Minimum Wage: \$11.25 (Standard, 2019)

<https://www.oregon.gov/boli/whd/omw/pages/minimum-wage-rate-summary.aspx>

Pending Legislation Regarding Minimum Wage: Yes

If you answered YES to the above question, What is the proposed minimum wage?:

An annual increase of 50 cents. In the Portland metro area, there is a 75 cent increase annually while in non-urban communities there is a 50 cent annual increase. Minimum wage in urban areas will increase to \$15.00/hour in 2023.

If you answered YES to the above question, What is the legislative bill number?: Senate Bill 1532

<https://www.oregon.gov/boli/whd/omw/pages/minimum-wage-rate-summary.aspx>

ENTREPRENEURSHIP AND INNOVATION

This section underscores the successes of your state in terms of business innovation through awards, venture capital, and intellectual property attainment.

Total Small Business Innovation Research (SBIR) Awards Found at:

https://www.sbir.gov/sbirsearch/award/all/?f%5B0%5D=itm_field_award_yr%3A2017&f%5B1%5D=im_field_state%3A105846&f%5B2%5D=im_field_program%3A105792 : 60 (2018)

Total Small Business Technology Transfer (STTR) Awards Found at:

Venture Capital Deals, in millions: 18 deals totaling \$56 million. (Q1 and Q2 2019 PWC Moneytree)

(408) 605 - 8867

www.ReshoringInstitute.org

<https://www.pwc.com/us/en/industries/technology/moneytree/explorer.html#/type=quarter&category=State¤tQ=Q2%202019&qRangeStart=Q1%202018&qRangeEnd=Q2%202019&chartType=bar>

% of State with Internet Accessibility: 87% of households (2017 US Census American Community Survey)

https://factfinder.census.gov/faces/tableservices/jsf/pages/productview.xhtml?pid=ACS_17_1YR_GCT2801.US01PR&prodType=table

New Businesses: 3,284 (Q4 2018, US Bureau of Labor Statistics, Establishment Births)

Registered Patents: 2,796 (2015, US Patent and Trademark Office)

FOREIGN DIRECT INVESTMENT

This section provides insight into the amount of current investment overseas and the potential state market for manufacturers to reshore.

Foreign Direct Announcements:

Element Six
Mitsubishi Gas & Chemical
St Cousair Oregon Orchards
Genentech
Centrotherm Clean Solutions
EV Group
Framas
JSR Micro

Foreign Direct Employment: 65,300 (2019, U.S. Bureau of Economic Analysis)

Foreign Direct Investment, in millions: \$1.2 billion (2015, U.S Bureau of Economic Analysis)

TRANSPORTATION AND INFRASTRUCTURE

This section sheds light on the basic infrastructure of your state and what a company can expect in terms of the logistics of shipping their product.

Number of major 2 or 4-Lane Highways running through state: Four primary interstate highways, I-5, I-80N, I-82, and I-84. There are four auxiliary interstate highways including, I-105, I-205, I-305, I-405, and I-505.

(408) 605 - 8867

www.ReshoringInstitute.org

Number of major railways going through state: There are four, Union Pacific Railroad, BNSF Railway, Portland & Western Railroad Co. and the Central Oregon & Pacific Railroad

<https://www.oregonlegislature.gov>

Number of major ports connected to state: 23

<https://www.oregonports.com/oregon-ports>

Number of airports throughout state: 97

<http://www.airnav.com/airports/us/OR>

Number of International airports throughout state: One

Number of distribution centers:

Oregon has a large number of distribution centers due to its convenient location on the West coast. Oregon has access to Canada, Mexico, and Asia. The largest distribution centers Oregon has are, Amazon (Salem), Nordstrom (Portland), Bob's Red Mill (Clackamas), Pacific Foods (Wilsonville), Frito Lay (Salem), Lowes (Lebanon), Platt Electric (Beaverton), and much more.

Number of foreign trade zones: Two, Port of Portland and International Port of Coos Bay Commission.

INCENTIVES

Different states offer different incentives to entice companies to move to their state. This section will allow you to highlight these incentives.

Pending Legislation

Proposed Incentives Currently Pending Approval (Y/N): No

Cash Incentives

Does your state provide any CASH incentives? (Y/N): Yes

If you answered YES above, Please provide details of this incentive including the contact information and website if applicable:

1. **Business Expansion Program (BEP)** - is available to existing companies expanding operations in Oregon or new companies coming into the state. The Oregon Business Expansion Program (BEP) is a cash-based incentive (forgivable loan) equivalent to the estimated increase in income tax revenue from the new hiring.

(408) 605 - 8867

www.ReshoringInstitute.org

2. **Governor's Strategic Reserve Fund (SRF)** - discretionary incentive needing approval from Oregon Governor. The SRF is a cash-based incentive (forgivable loan) tied to job creation, wages and public benefit commitments.
<http://www.oregon4biz.com/dev/www/BOR/Oregon-Business/Tax-Incentives/Strategic-Reserve-Fund/>

Source: Business Oregon

State Tax Credits

Does your state provide any Tax Credit incentives? (Y/N): Yes

If you answered YES above, Please describe the available tax credits:

1. **Oregon New Market Tax Credit (NMTC) Program** - delivers below-market-rate investment options to Oregon businesses and creates jobs in low-income communities. Applications are no longer being accepted.
2. **Federal Work Opportunity Tax Credit** - Congress provides this incentive to private-sector companies for hiring individuals from target groups, for which the state of Oregon has instituted systems to expedite and facilitate documentation.
3. **Reservation Enterprise Zone** - Federally-recognized Tribes in Oregon may have any of the Tribe's land designated as a "reservation enterprise zone." The Tribal government is the zone "sponsor." A Tribe also may create a special "partnership" zone through an agreement with a local government. Both designation types include a state income tax credit for any type of business to offset the Tribal taxes that it might pay
4. **Renewable energy resource equipment manufacturing** - tax credit offered of the total cost of renewable energy resource equipment in a manufacturing facility that is certified by the Oregon Business Development Department.
5. **Oregon low income community jobs initiative/new markets** - tax credit was allowed for qualified equity investments in low-income community businesses.
6. **Electronic commerce zone investment** - credit is available to qualified businesses engaged in e-commerce in an approved enterprise zone. The credit is equal to 25 percent of the investment in capital assets that are used in the designated area primarily for electronic commerce operations.

(408) 605 - 8867

www.ReshoringInstitute.org

State Tax Exemptions

Does your state provide any Tax Exemptions? (Y/N): Yes

If you answered YES above, Please describe the available tax exemptions:

1. **Construction-in-Process** - unfinished facility improvements may be exempt from local property taxes for up to two years while under construction with April 1 filing each year. In an **enterprise zone**, most authorized businesses enjoy a broader tax abatement using a different form.
2. **Long-term Rural Enterprise Zone Facilities** - Available in most rural designations, the long-term program extends property tax abatement to as many as 15 years on new facility improvements and installations. Any type of non-retail business activity is eligible, but these incentives depend on local approval and varying levels of minimum investment, job creation and employee compensation at the facility, depending on location.
3. **Standard Enterprise Zone** - 3-5 year property tax abatement. In exchange for locating or expanding into any enterprise zone, eligible (generally non-retail) businesses receive total exemption from the property taxes normally assessed on new plant and equipment. Subject to local authorization, timely filings.
4. **Food Processing Machinery and Equipment (M&E)** - for five years starting in or before 2020, newly operational M&E is exempt if certified by the Oregon Department of Agriculture. This exemption encompasses real or personal property used in the primary processing of many types of goods for human consumption with certain limitations.
5. **Fee in Lieu of Property Taxes** - Pursuant to executing an agreement with the county (and city, if inside one), any solar project may be exempt for up to 20 years, contingent on annual payment to the county/city of a fee equal to \$7,000 per megawatt of the project's nameplate capacity, and provided that the project is or was not subject to any other exemption.
6. **State Energy Loan Program (SELP)** - for renewable energy, including manufacturing facilities. Loans range from 5 to 20 years and \$20,000 to \$20 million, depending on the borrower's need and financial situation. The Oregon Department of Energy finances these low-interest loans with authority to issue state general obligation bonds.
7. **Alternative Energy Systems (ORS 307.175)** - This abatement exempts the additional taxable value of equipping a property with net metering or with alternative systems for onsite electricity or climate control as compared to a conventional system until 2023.
8. **Strategic Investment Program (SIP)** - offers a 15-year property tax exemption on a portion of large capital investments. The program was created in the 1990s to induce large, capital-intensive facilities to locate and grow anywhere in Oregon. Businesses must serve the traded sector and the project's cost must be at least \$25 million.

(408) 605 - 8867

www.ReshoringInstitute.org

9. **Rural Renewable Energy Development Zones** - A three- to five-year exemption from property taxes on new investments in solar energy farms, geothermal power generation, biofuel production facilities and other eligible projects in a designated county.
10. **Oregon Investment Advantage (OIA)** - Helps businesses start or locate new operations in many Oregon counties and can be certified as many as 10 consecutive times to annually deduct or subtract taxable income related to those operations, potentially eliminating any state business income tax liability for that period.

Source: Oregon Department of Revenue, Oregon corporation tax credits and Business Oregon

State Grants

Does your state provide any Grant incentives? (Y/N): Yes

If you answered YES above, Please describe the available grants:

The Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs are federal programs designed to stimulate technological innovation and provide opportunities for small businesses to conduct research and development (R&D) with commercialization potential. The programs help small businesses explore their technological potential and get their products closer to market. The programs are known as "America's largest seed fund."

Source: Business Oregon

State Loans

Does your state provide any Low-Interest Financing incentives? (Y/N): Yes

If you answered YES above, Please describe the available financing opportunities:

1. **Oregon Business Development Fund (OBDF)** - provides direct loans that leverage private capital and provides incentives for businesses to expand or locate in Oregon.
2. **Small Business Expansion Loan Fund (SBELF)** - provides direct loans to help early stage (post R & D and prototyping), scalable, and high-margin small businesses obtain short-term working capital to support rapid growth.
3. **Entrepreneurial Development Loan Fund (EDLF)** - offers direct loans to help start-ups, micro-enterprises and small businesses expand or become established in Oregon
4. **Credit Enhancement Fund (CEF)** - provides loan guarantees to financial institutions in order to increase capital availability to small businesses.
5. **Capital Access Program (CAP)** - provides a form of loan portfolio loss reserve so financial institutions may make business loans that carry higher than conventional risks while complying with federal and state banking regulations.

(408) 605 - 8867

www.ReshoringInstitute.org

6. **Industrial Development Bonds (IDB)** - are available to manufacturing projects, exempt facilities and nonprofit organizations to provide access to capital primarily for value-added manufacturing.
7. **Aggie Bonds (Beginning and Expanding Farmer Loan Program)** - provides new farmers tax-exempt financing for capital purchases.

<https://www.oregon4biz.com/How-We-Can-Help/Finance-Programs/>

Training Programs

Does your state provide any Specialized Training Program incentives? (Y/N): Yes

If you answered YES above, Please describe the available training programs:

1. On-the-Job training grant offers cash reimbursement for on the job training for specific employer needed skills.
2. Rural technology workforce development - equals 12 percent of a taxpayer's expenses that are incurred to establish and implement an employee training program. A qualifying employee training program must be operated in collaboration with a local community college operated under ORS Chapter 341.

Source: Oregon Department of Revenue, Oregon corporation tax credits

Zoning

Does your state provide any Special Zoning incentives? (Y/N): No

Source: Business Oregon

State Marketing and Promotions

Does your state provide any Marketing and Promotional incentives? (Y/N): Yes

If you answered YES above, Please describe the available special marketing or promotional opportunities:

Business Oregon, the state's economic development agency offers the STEP program and the Oregon Trade Promotion Program (OTPP).

<https://www.oregon4biz.com/Global-Connections/Export-Promotion/>

(408) 605 - 8867

www.ReshoringInstitute.org

Innovation Centers

Does your state have Innovation Centers or Additional Resource available for companies? (Y/N): Yes

If you answered YES above, Please describe the available innovation centers or additional resources:

ONAMI I (Oregon Nanoscience and Microtechnologies Institute) is a place for academia, business and government come together to accelerate research and bring breakthrough ideas to market.

<https://onami.us/>

OTRADI (The Oregon Translational Research and Development Institute) was initiated in 2007 with a mission to translate scientific research developed in the state of Oregon's research laboratories into commercial ventures. The word "translational" refers to this task: transforming research into industry.

<https://www.otradi.org/>

Vertue Lab partners with funders and innovators in clean technologies to make a global environmental impact. Through a series of focused programs and funding opportunities, we advance promising technologies to market while helping innovators find the resources they need to move their vision forward.

<https://vertuelab.org/>

REGIONAL INFORMATION

Many states have "regions" that specialize in certain industries such as automotive in Detroit or high tech in Silicon Valley. This section is to help you highlight these regions. If your state doesn't have any special regions please skip this page.

Please note that a "region" could be an area, county, city etc...

Region One

Name of Region (This can include nicknames such as Silicon Valley): Portland Metro

Does this region have a designated web site? (Y/N): Yes

If you answered YES to the question above, what is the website: <http://greaterportlandinc.com/>

(408) 605 - 8867

www.ReshoringInstitute.org

Geographic Location Information (For example, Silicon Valley spans several major cities including San Jose, Cupertino and Palo Alto): Includes Oregon’s largest city and regional hub, Portland, along with neighboring counties.

What industry or industries are prominent in this region?

- Aerospace
- Apparel
- Computer and Electronic Products
- Food or Beverage
- Machinery and Capital Equipment
- Software Publishing

What are some unique aspects of this region? With a metropolitan labor force **growing three times the national average**, this region is home to a deep pool of skilled workers across all industry sectors.

Are there any special programs or incentives for companies wanting to move to this region? (Y/N): Y (as outlined above)

Does this region offer site selection assistance? (Y/N) Yes – staff assistance from Business Oregon

Business Oregon can help businesses locate, grow, export, and expand. <https://www.oregon4biz.com/>

If you answer YES to the question above, Please list the contact information for the site selection assistance:

<https://www.oregon4biz.com/>

Region Two

Name of Region (This can include nicknames such as Silicon Valley): Willamette Valley

Does this region have a designated web site? (Y/N):

If you answered YES to the question above, What is the website: <http://www.sedcor.com/>

Geographic Location Information (For example, Silicon Valley spans several major cities including San Jose, Cupertino and Palo Alto): Spans several counties in the state’s Willamette Valley and includes Salem, the capital.

What industry or industries are prominent in this region?

- Building Materials and Equipment
- Distribution Centers
- Food or Beverage
- Machinery and Capital Equipment
- Agriculture

(408) 605 - 8867

www.ReshoringInstitute.org

What are some unique aspects of this region? With abundant natural resources, the Mid-Willamette Valley is the greatest producer of agriculture products in Oregon and is a popular tourism region for wine, food, and outdoor recreation. It also has a strong manufacturing and distribution presence with proximity to Interstate 5 between Washington and California.

Are there any special programs or incentives for companies wanting to move to this region? (Y/N): Y
(as outlined above)

If you answer YES to the question above, Please list the programs or incentives for this region if not already mentioned in the Incentives section: N/A

Does this region offer site selection assistance? (Y/N) Yes

If you answer YES to the question above, Please list the contact information for the site selection assistance: Business Oregon contacts mentioned above

Business Oregon can help businesses locate, grow, export, and expand. <https://www.oregon4biz.com/>

Region Three

Name of Region (This can include nicknames such as Silicon Valley): Central Oregon

Does this region have a designated web site? (Y/N): Yes

If you answered YES to the question above, What is the website: <https://edcoinfo.com/>

Geographic Location Information (For example, Silicon Valley spans several major cities including San Jose, Cupertino and Palo Alto): Several counties spanning central Oregon, anchored by its largest city, Bend.

What industry or industries are prominent in this region?

- Apparel
- Data Centers
- High Tech
- Food or Beverage
- Software Publishing
- Tourism

What are some unique aspects of this region? to one of the nation's fastest growing metro areas, Bend, the region is a mix of well-established manufacturers, an expanding high technology sector and a world-class tourist destination.

Are there any special programs or incentives for companies wanting to move to this region? (Y/N):

If you answer YES to the question above, Please list the programs or incentives for this region if not already mentioned in the Incentives section: N/A

(408) 605 - 8867

www.ReshoringInstitute.org

Does this region offer site selection assistance? (Y/N) Yes

If you answer YES to the question above, Please list the contact information for the site selection assistance: Business Oregon contacts mentioned above

Business Oregon can help businesses locate, grow, export, and expand. <https://www.oregon4biz.com/>

Region Four

Name of Region (This can include nicknames such as Silicon Valley): Southern Oregon

Does this region have a designated web site? (Y/N): Yes

If you answered YES to the question above, what is the website: <https://www.southernoregon.com/>

Geographic Location Information (For example, Silicon Valley spans several major cities including San Jose, Cupertino and Palo Alto): Several counties spanning southern Oregon, including Josephine County and Jackson county. Major cities include, Medford, Ashland, Grants Pass, Cave Junction, and more.

What industry or industries are prominent in this region?

- Building Materials and Equipment
- Wood products
- Tourism
- Food or Beverage

(408) 605 - 8867

www.ReshoringInstitute.org

What are some unique aspects of this region? Southern Oregon is home to the deepest lake in the United States, Crater Lake. The lake is famous for its deep blue color, surrounding cliffs and water purity. This has promoted tourism in the area making the Crater Lake area one of the most popular places to visit on the West coast.

Are there any special programs or incentives for companies wanting to move to this region? (Y/N): Yes

If you answer YES to the question above, Please list the programs or incentives for this region if not already mentioned in the Incentives section: N/A

Does this region offer site selection assistance? (Y/N) Yes

If you answer YES to the question above, Please list the contact information for the site selection assistance:
Business Oregon contacts mentioned above

Business Oregon can help businesses locate, grow, export, and expand. <https://www.oregon4biz.com/>

Is there any extraordinary information that you would like to add about this region?

AMERICAN MADE LABEL REQUIREMENTS

Federal Trade Commission oversees "Truth in Advertising" regulations including promotion or disclosure of products displaying "Made in USA" labeling. FTC requires products advertised as "Made in USA" be "all or virtually all" made in the U.S. "all or virtually all" means the product should contain no – or negligible – foreign content.

Made In USA Requirements

Does your state have any specific requirements for labeling products "Made in USA"? (Y/N): No

If you answered YES to the question above, What are the requirements for labeling products "Made in USA":

Is there pending legislation regarding these requirements? (Y/N): N

If you answered YES to the question above, Please describe the proposed legislation including the bill number:

Made In YOUR STATE Requirements

Does your state have any specific requirements for labeling products "Made in YOUR STATE"? (Y/N): No

If you answered YES to the question above, What are the requirements for labeling products "Made in YOUR STATE":

Is there pending legislation regarding these requirements? (Y/N): No

(408) 605 - 8867

www.ReshoringInstitute.org

If you answered YES to the question above, Please describe the proposed legislation including the bill number:
No

Is there an organization or entity that monitors state labeling? (Y/N): No

If you answered YES to the question above, Please provide the name and contact information for the organization or entity:
